React.js, HTML5, CSS3, BootStrap, JavaScript, jQuery, Heroku, Node.js, Express.js, MongoDB, MySQL, Github, APIs, JSON, AJAX, Adobe Illustrator, Adobe Photoshop, Adobe InDesign

PROJECTS

Game Night | github.com/salemgrace/game-night | salems-game-night.herokuapp.com/

- Full Stack Application that organizes all your games to facilitate the ultimate game night.
- Built independently utilizing React.js and MongoDB.

BucketList | github.com/salemgrace/Cool_Project | sheltered-coast-46834.herokuapp.com/

- Front End Application that arranges your bucket list items by category.
- Built in a group of three serving in the DevOps role utilizing MySQL and managing deployments to Github and Heroku.

Bamazon | github.com/salemgrace/bamazon

- Back End Application that utilizes a database designed to track inventory.
- Built independently utilizing MySQL and the Command Line.

PROFESSIONAL EXPERIENCE

University of Pennsylvania, School and Center Program, Development and Alumni Relations

Associate Director, Planning and Analysis

10/2018 – Present

Upgraded position in response to increased levels of self-direction, project management, and overall responsibilities with the growing strategic fundraising needs across Schools and Centers in the *Power of Penn* Campaign.

- Manages projects that include: utilizing emerging technologies to optimize prospect pools; creating and maintaining thorough analyses of Boards of Overseers; streamlining the annual fundraising planning process.

Assistant Director, Planning and Analysis

08/2016 – 10/2018

Newly created position with an emphasis on project management, data tracking, and analysis, curating best practice-driven content, and fostering strong knowledge transfer to and across programs.

- Identified and managed projects that included: discovering opportunities for better capturing and disseminating best practices; creating and curating an intranet site to foster sharing strategies and distributing information.

Administrative Coordinator

02/2013 – 08/2016

Multifaceted role that coordinated administrative operations and produced creative communications materials in a fast-paced office that oversees fundraising for the School and Center Program, which raised more than \$100M annually.

- Worked on projects that included: managing art and culture events from staffing to designing invitations and handouts with Adobe Illustrator and Photoshop; creating and maintaining organizational charts.

EDUCATION

- **Certification in Full Stack Web Development**

University of Pennsylvania, LPS, Philadelphia, PA

- **Bachelor of Arts in Theater**, Concentration in Directing

Temple University, Philadelphia, PA
